EXHIBITION DAY

SCIENCE EXHIBITION

To nurture the inquisitive mind is the motto that encourage every child to be innovative and apply their knowledge to create and invent. There was overwhelming enthusiasm and interest among students as each one wanted to present their project at the science exhibition. The Chief Guest Dr. Tulsi Naik and the judges did not disappoint the participants as she spared time to examine their exhibits and listened to their explanations.

HINDI DIVAS

INDEPENDENCE DAY

INDEPENDENCE DAY

The 73rd Independence Day of our beloved nation was celebrated with patriotic fervour and enthusiasm. Rev. Fr. Binoy from Salvatorian congregation was the chief guest of the day. Besides the solemn ceremony of the flag hoisting, the occasion saw a brisk March past by the Middle and High School students, a drill display by the NCC Cadets of the school, some great cultural performances, melodious patriotic songs by the school choir and a delightful dance performance.

P-LYMPICS

After the Independence Day programme, the campus came alive once again around mid-morning with some spirited sports competitions. It was the finals of the P-lympics, sports competitions organized by the parents for the parents and teachers. Even though the environment was more of a festive one, there were some thrilling matches played in Volleyball, badminton and throw ball.

ONAM

TEACHERS' DAY

TEACHERS DAY CELEBRATIONS

A special morning assembly was organized by the students of class X to honour the teachers. Students handcrafted beautiful greeting cards to express their love and appreciation for their teachers. The highlight of the day was the variety of games students organized for the teachers.

PARENTS' SPORTS DAY

SPORTS DAY

SPORTS DAY

The mega sports Day held on 31st of August saw Patricians in action. A record holder in Marathon and a philanthropist, Mr. Bobby Chammanur graced the occasion as the chief guest and Bro. Britto, the founding principal of the school was the Guest of Honour. The spirited performance in the field and track events saw the four Houses vie with each other for the coveted Cock House Trophy. Patrician parents showed great sportsmanship and energy as they participated in the special relay organized for them.

BOOK REVIEW

CHARLIE AND THE CHOCOLATE FACTORY

By: Roald Dahl

Illustrated By: Quentin Blake

- Melvin Saji, 7D

The book is all about a poor boy 'Charlie' he lived in very small cottage near the world's largest factory which was owned by Mr. Willy Wonka. There were only two rooms in the cottage which he lived with his two grandfathers Mr. Joe and Mr. George. The two grannies Mrs. Josephine and Mrs. Georgina who lived in one room, in one bed and facing to each other.

Then comes his parents Mr. Bucket and Mrs. Bucket who used to sleep on the mattress on the floor. Every evening after dinner before bed time he would go and sit in between his grandparents to listen to some bed time stories this was the happiest moment for them [grandparents] sometimes his parents would come and stand in. Mr. Bucket used to work in a toothpaste company his job was tightening the caps of the tube filled with paste ,how fast he did there was no point, he was paid very less they could not afford god food every one used to wait up till a Sunday for they could take two serves. During his birthday day he would get one bar of chocolate he would not open it until he can't control his temptation and would have only one bite. Whenever he used to come back from school, he used to water his mouth in front of sweet shops and he had to pass by the factory he used to take a deep breath of the chocolate smell. One night when he went into the grandparent's, room grandpa Joe told him about the marvellous sweets and chocolates, that the great Mr. Willy Wonka made. He told him about the incident that made his gates of the factory close it was

because some workers[who were really spies from other factories] they found all the recipes and copied them after some days Wonka understands if this continues his factory will be closed and he told all the workers to find a job else were and closed his gates after few months the factory started working but the gates were closed and they could see small shadows moving through, no one knew who were working in it.[not in the story after the night] The next day in the newspaper it was given Mr. Willy Wonka Is starting his factory. It was given that some 'bars of willy Wonka will be having a golden ticket there were only five, was there in the whole world.' The lucky ones who receives any one will have the luck to visit his factory. The next week was Charlie's birthday everyone had hope but they didn't express their feeling but he didn't achieve it when he opened it. Then the next day grandpa Joe gave him one silver coin to buy one bar but there was nothing in it the four tickets were found with different hilarious stories one day on the way home he was so hungry he found a coin on the ground he saw no one was finding for it so he took it to the nearest shop and bought a bar of willy Wonka chocolate he bought one chocolate and had eaten it fast he bought one more and he was the fifth luckiest one for the ticket he ran home his parents were shocked and his grandfather who was in the bed for the past 20 years jumped out and started dancing his father told that the next day was the day to go the factory at sharp 10 o'clock and they could take one or two adults for taking care of them. His father was happy to go with them but told that grandpa Joe deserves to go. The next day they met at the front of the factory the visit it and the mysterious people were the Ompa-Loompas. Then all the four misbehaves and had different situations only Charlie was left out and Mr. Willy Wonka broke the roof of Charlie's house and asked them to stay in the factory and gave Charlie the permission that when he is old enough to control the factory he will own it he made this five tickets to get the right one could win the factories. These golden tickets were to test the people who are lucky to enter the factory and from them to select the capable one for running the factory.

Over all it's a very good book I recommend everyone to read this book, you feel pity for Charlie Bucket in the beginning and happy towards the ending. The writer has taken the story well and you get the picture of the story when you read the book.

OUTSIDE THE WINDOW

- Neha N, 7A

I wake up every morning
And the first to visit is my window
I think every night that what will be
The scene outside it.

Fist time when I went near the window
A huge, big scene is hung out
I lost the mood of this window

But I think every night I go
Tomorrow and see the big world
But I can't

But one morning I woke up mad
I went up to the window
Pull out the screen
And I opened the window

I was amazed to see the beauty of
This hidden window and now
I feel happy to see the outside
Of this window every time

हमारे अध्यापक

हमारे अध्यापक न केवल एक आदर्श शिक्षक हैं ,अपितु एक सच्चे देशभक्त , उत्कृष्ट कोटि के समाज-सुधारक तथा सच्चरित्रता की साक्षात् मूर्ति हैं । उनका उदात्त चरित्र सबको अपनी ओर आकृष्ट करता है ।

हमारे गुरु जी को अपने विषय का भरपूर ज्ञान है , वे हमें समय-समय पर विभिन्न पौराणिक कथाएँ सुनाते हैं । छात्रों को सुसंस्कृत बनाने की ओर उनका विशेष प्रयत्न रहता है । वे हमें बताते हैं कि ‘आचारः परमो धर्मः’ तथा इसका पालन वे स्वयं भी करते हैं । कक्षा में उनके धैर्य देखते ही बनते हैं । क्रोध उन्हें छू तक भी नहीं पाता । वे सब छात्रों को समान प्रेम करते हैं । छात्रों को विषय समझ न आने पर वे धैर्यपूर्वक समझाते हैं ।

हमारे अध्यापक विद्यार्थियों को समय पालन करने के लिए विशेष रूप से सतर्क करते हैं । घंटा बजने के पहले ही वे कक्षा में प्रवेश कर जाते हैं । उनका मानना है कि समय की गति को पहचानने वाला, अपने भाग्य के द्वार स्वयं खोलता है । कभी-कभी छात्र आपस में जब लड़ते हैं तो वे उन्हें स्नेहपूर्वक समझाते हैं कि झगड़े में समय व शक्ति व्यय करना मूर्खता है । वे हमें गीता के श्लोक सुनाते हैं और कहते हैं , ‘स्वकर्मणा तमभ्यर्च्य सिद्धि विन्दति मानवः।’ अर्थात् अपने-अपने कर्मों के अनुसार पूजा करने से ही मनुष्य को सिद्धि प्राप्त होती है । विद्यार्थी के लिए तो उचित शिक्षा प्राप्त करना ही पूजा है । अध्ययन ही उसका धर्म है ।

हमारे अध्यापक विभिन्न कलाओं में निपुण हैं । अध्यापक कुशल चित्रकार होते हैं । वे पाठ से संबंधित चित्र को श्यामपट पर इतनी कुशलता से चित्रित कर देते हैं कि सब छात्र ठगे से रह जाते हैं । वे हमें भे चित्रकला का अभ्यास करने की प्रेरणा देते हैं । उनके लेख सब छात्रों के लिए उत्कृष्ट उदाहरण है । उनके द्वारा श्यामपट पर लिखे अक्षर मोती जैसे चमकते हैं ।

महान व्यक्तियों का हमारे समाज में बहुत बड़ा योगदान होता है । इसका आभास आज हम सब छात्रों को है । इन सबका श्रेय हरे शिक्षकों को जाता है । उन्हें देखकर ‘गुरु ब्रह्मा गुरु विष्णु गुरु देवो महेश्वरः’ श्लोक मन में गूँजने लगते हैं । गुरु ही साक्षात् ब्रह्मा , विष्णु और महेश है । गुरु तो भगवान से भी महान होते हैं यथा-
गुरु गोविन्द दोउ खड़े काके लागूँ पाय बलिहारी । बलिहारी गुरु आपने जिन गोविन्द दियो बताय ॥

वेदांत गुप्ता (कक्षा- दसवीं ‘ए’)
